Us shadows can read your movements, there's no way we'd lose.
No, he matched his timing this time.
We don't know yet.
!
Wh... What the!?

トドドド

WHY IS HE NAKED!? Clearly, he isn't fine at all!

Both of them are fine!

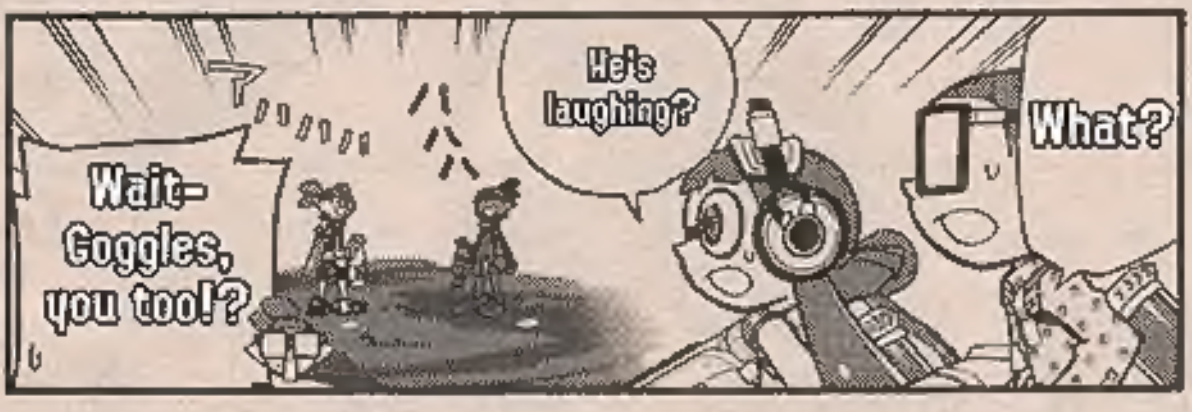
Their landings canceled each other out!

I mean, that is amazing! But you're a moron!
Ah, his clothes fell off.
のほーん
It's because I used my clothes as a jumping platform.

Hehe~
That's just the kind of guy he is.
That's insane.
So he used his clothes as a double jump to match the landing time.
しゅぽん

Kh...

!
!
Hahaha haha!
Using your clothes as a jumping platform!

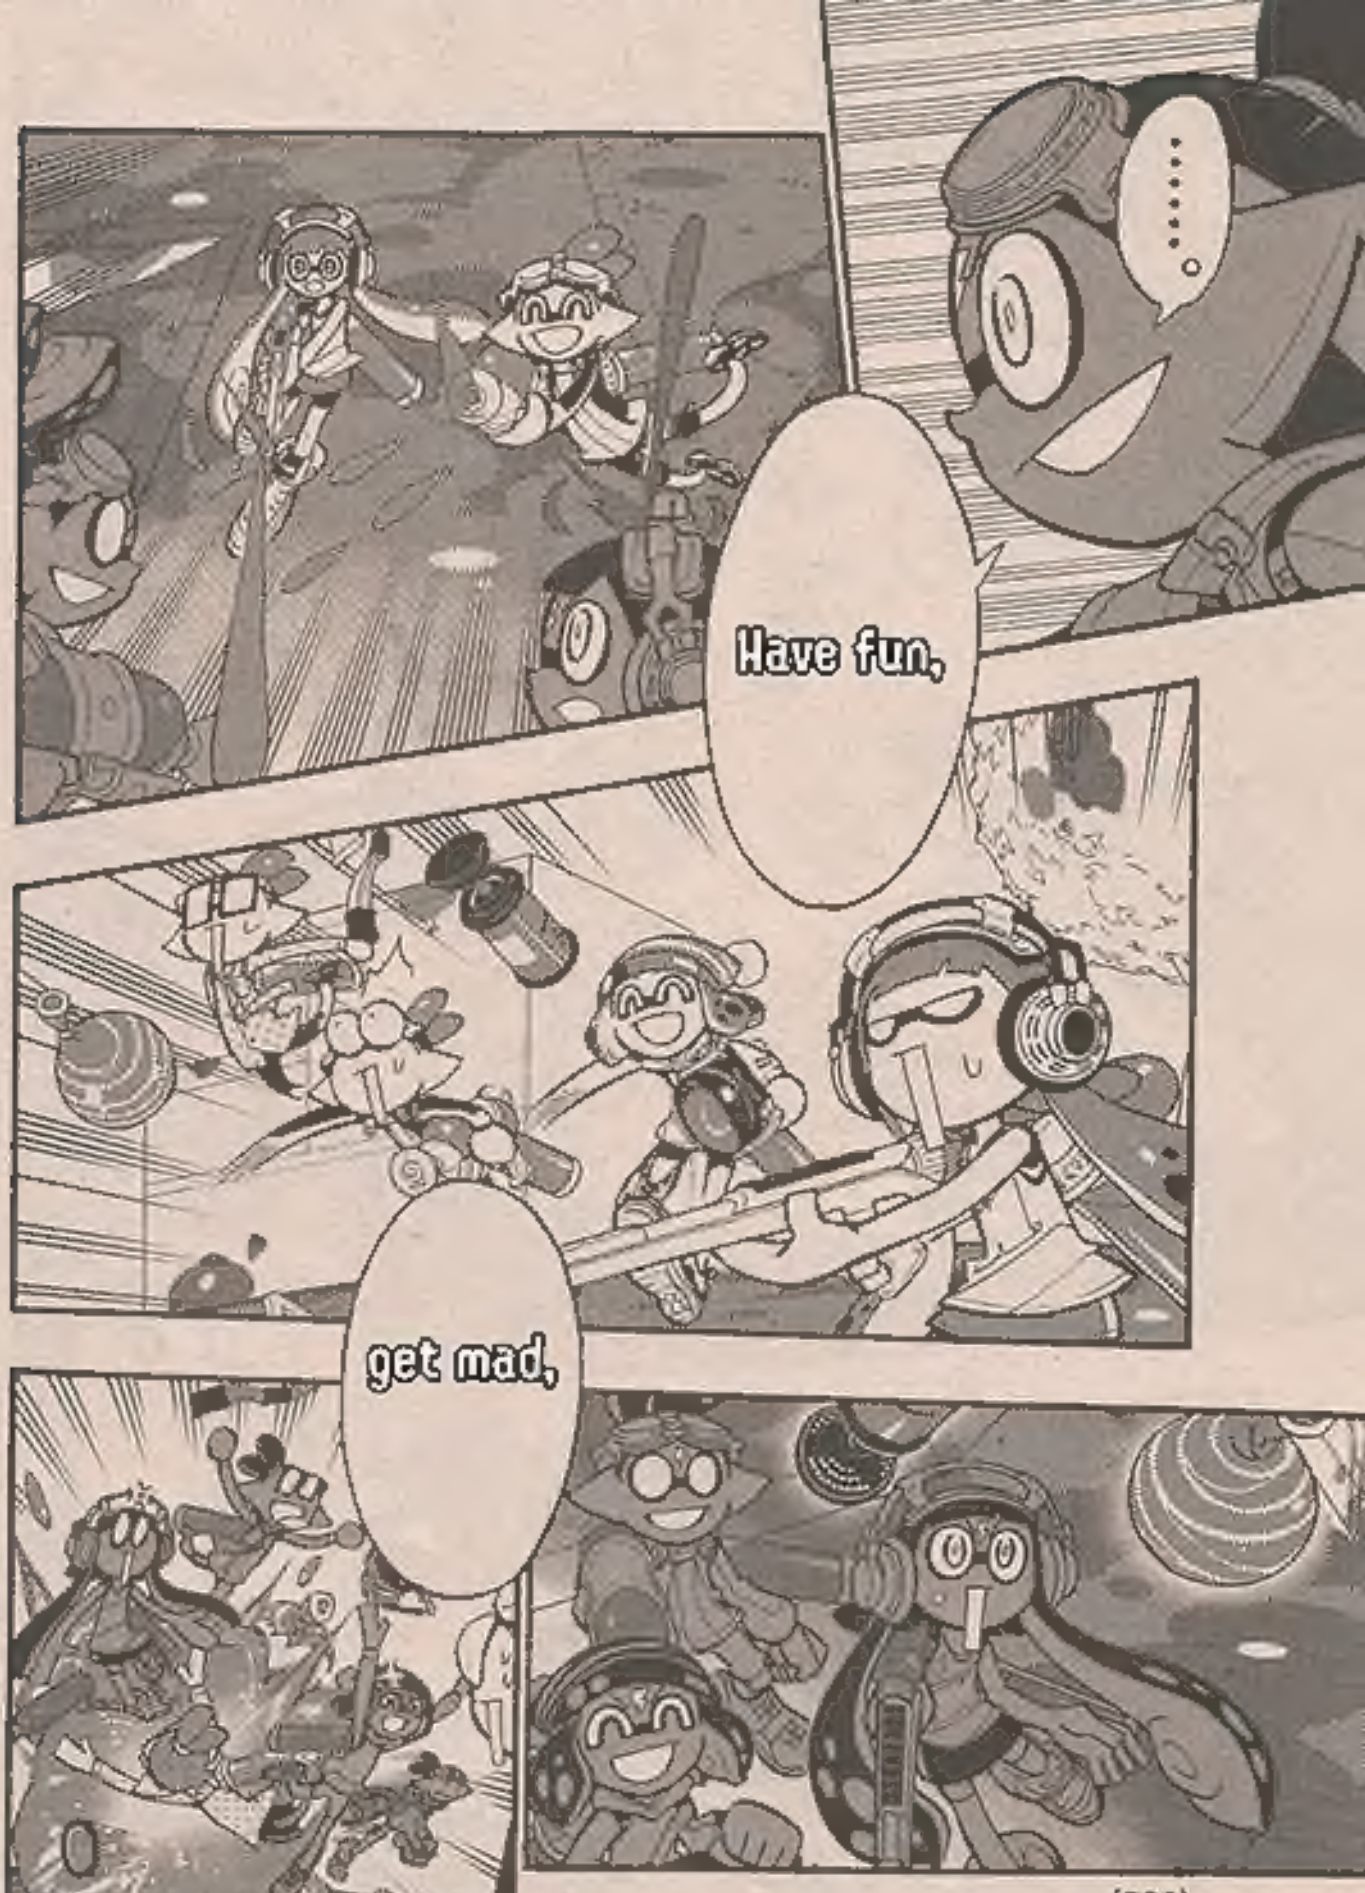


Wait- Goggles, you too!?
He's laughing?
What?

Battles sure are fun, aren't they?
You never know what'll happen.

Yup!
And that makes me want to battle everyone, all the time!
Fh.
That's right.
I feel the same way.
The match is still on! Let's go!

Resume the battle!
Once again, it's a frantic battle...
...between the originals and the shadows!
But there isn't much time left!

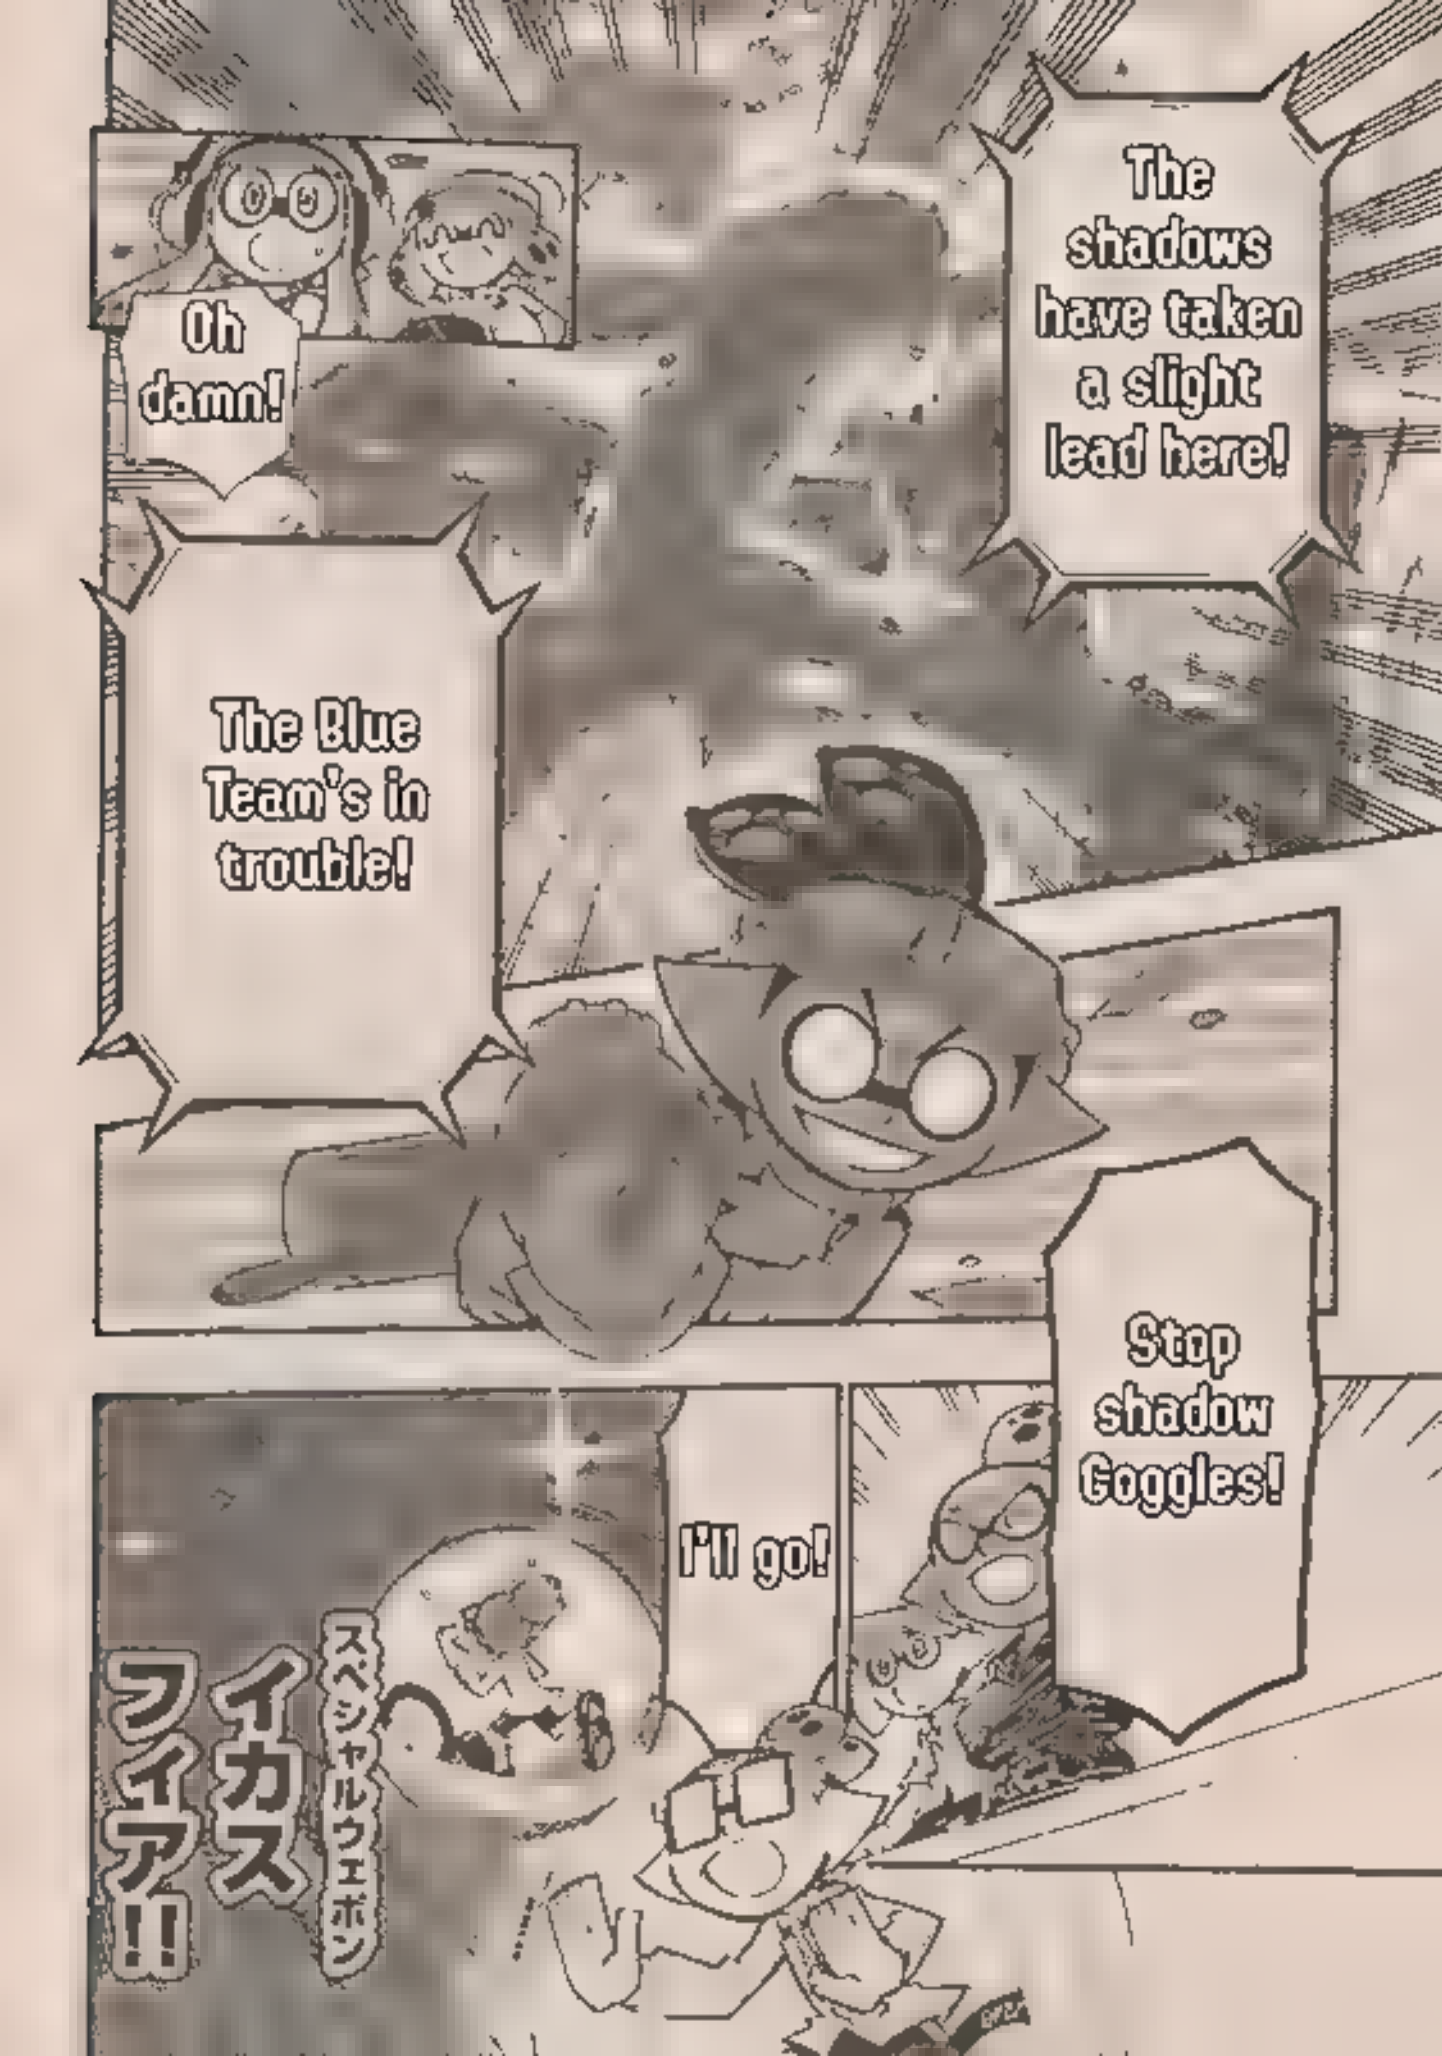


.....
Have fun,
get mad,

イカしたぬりつぶしマンガ!!
get frustrated,
be happy,
and through that, everyone can smile.

It sure is nice.

That's what a turf war is.
Ohhh!



The shadows have taken a slight lead here!
Oh damn!
The Blue Team's in trouble!
Stop shadow Goggles!
I'll go!
スペシャルウェポン
イカスフィア!!

スペシャルウエポン
スーパーチャクチ!!

Hmph.

What's this?! He destroyed the drill!!

Shit! Not yet!

Spec...

It's over.

ｷｬｯ

A jump marker!

That means...
What was it, again?

Oh no!

Didn't I say "not yet?"

Super Jump!
Gotcha!
He's jumping towards his teammate's marker!
...and now...

Nice landing.

I'd expect nothing less from my original.

スーパーナイトスペシャルウェポンアタック!!

And they protected the square!

Alright!

Mh, my legs stopped tingling!

It was a good match!

We'll return Lil Judd.

...But we lost.

And the square...

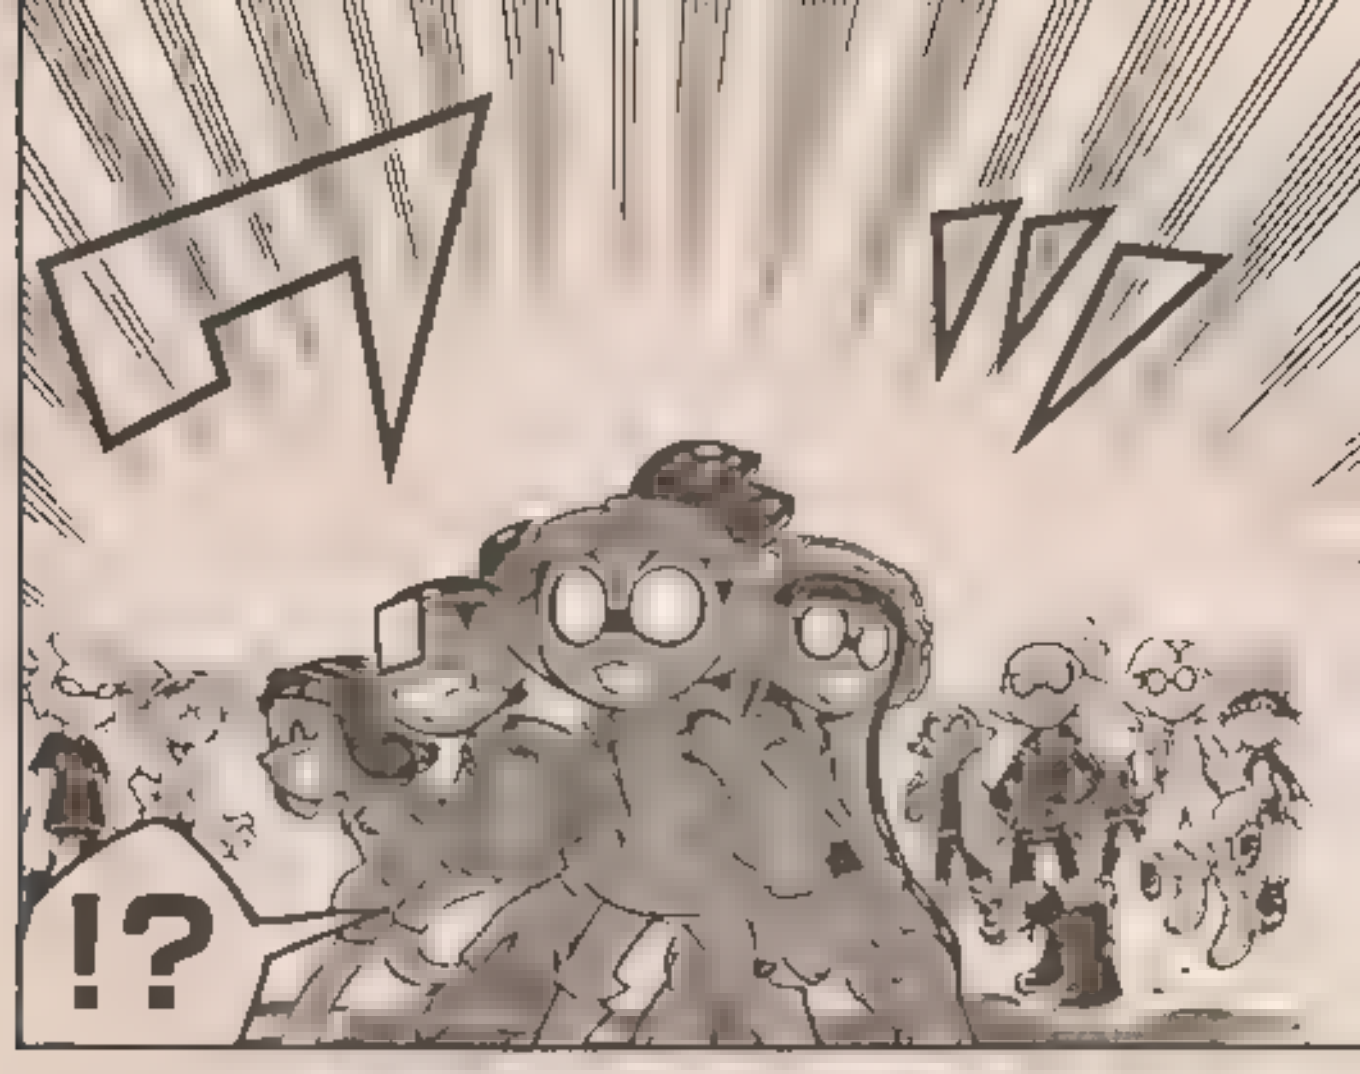
The originals win!

In the battle between the shadows and the originals...

Match over!

...the final round...

...goes to the Blue Team!



!?

I'm next.
That's amazing, getting to fight against yourself!
That was a fun battle.
What'll my Shadow be like?

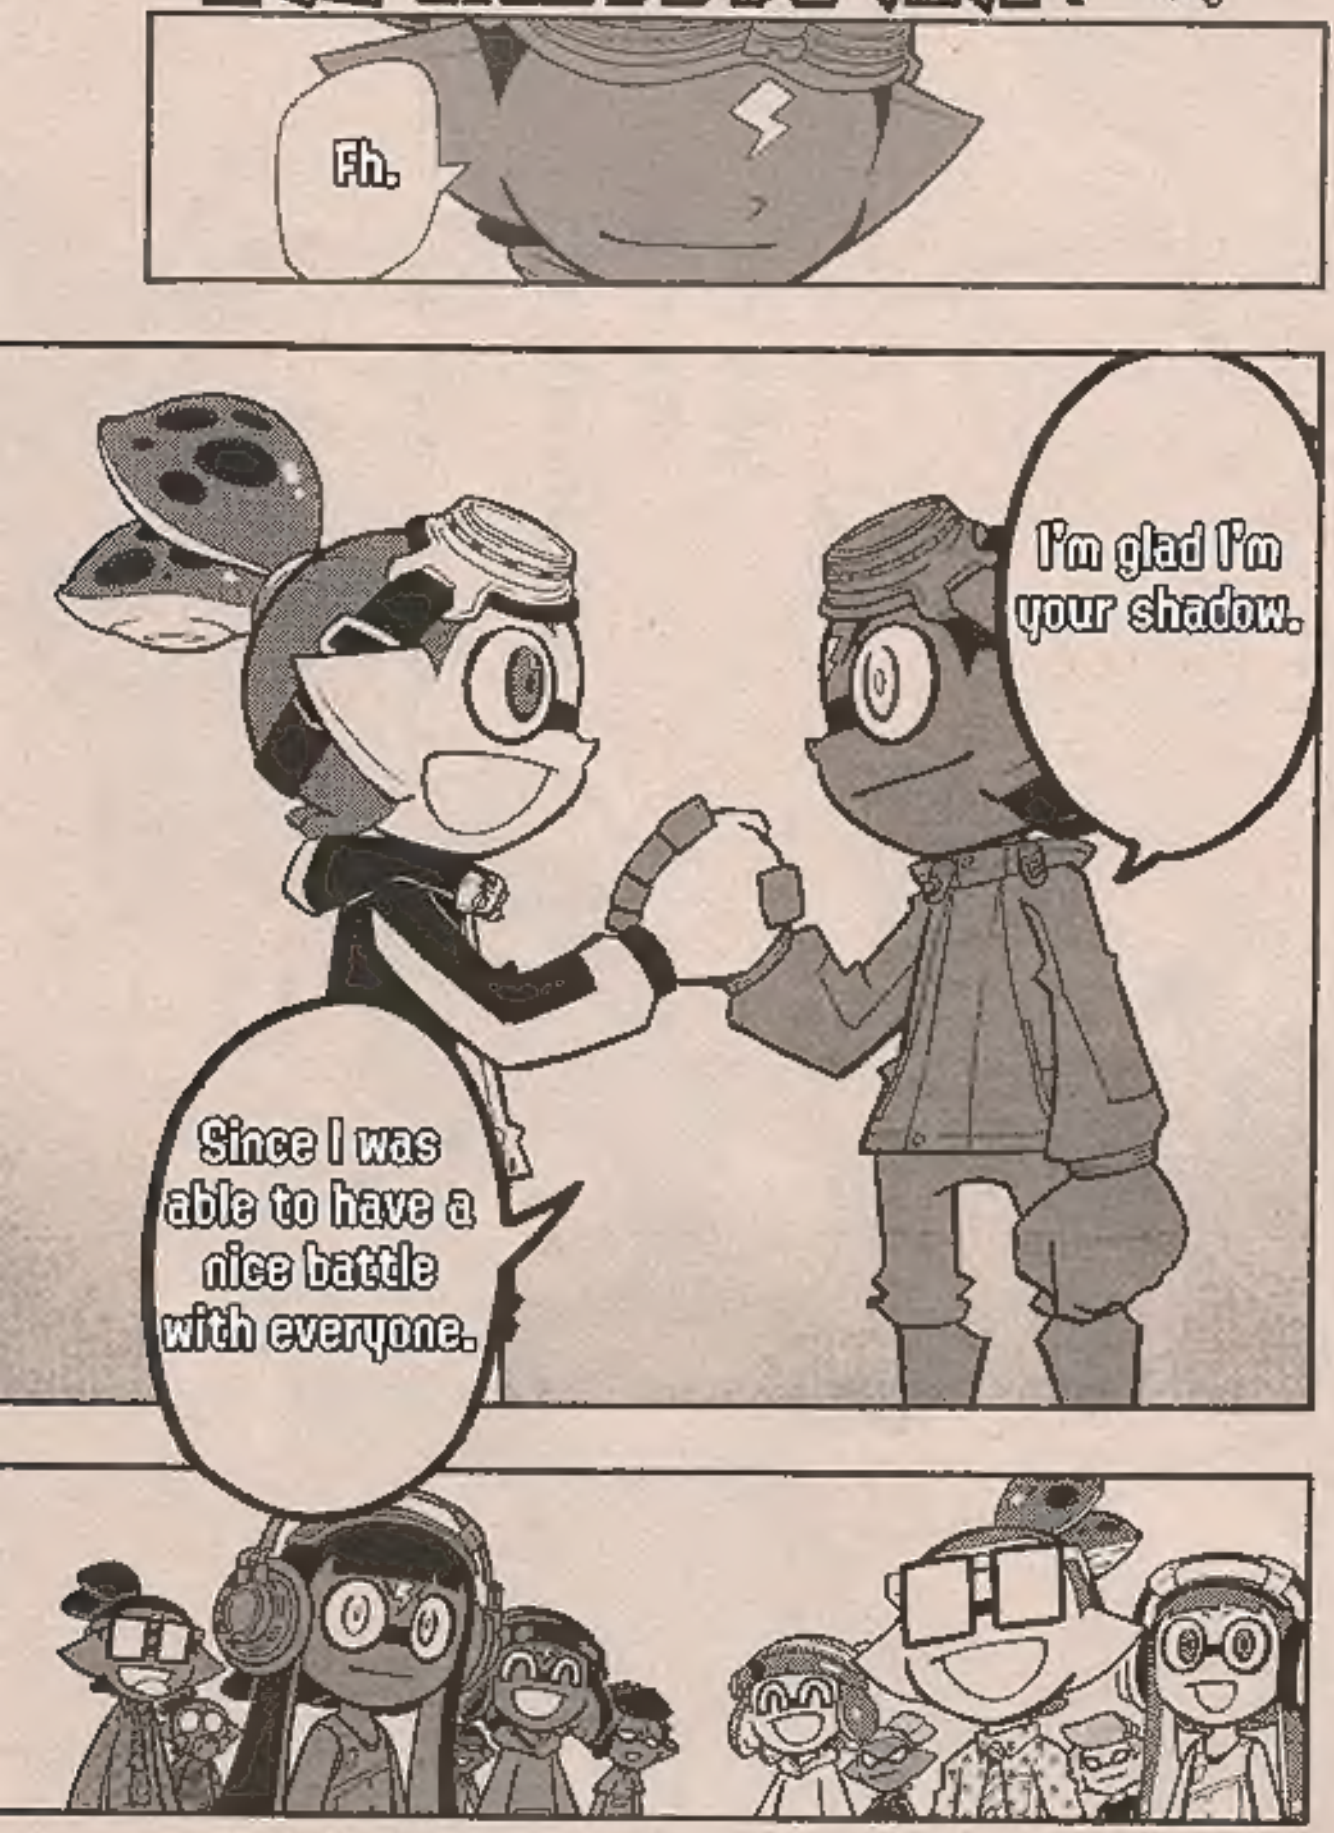
Even though we're the enemy?
They're complimenting us...?

That's right!
And the square belongs to everyone!
Didn't things turn out pretty good?
NGH! (Leave the refereeing to me!)
Let's have another match!

Splatoon スプラトゥーン

We have to return to the Tower.
Since we're made of energy.
We can't maintain our existences outside it.
We were aware of this fact.
Then your kidnapping Lil Judd...
...and trying to take the Square...
It's just because we wanted to fight you seriously!
MORON!
Why'd you tell them? So annoying...
...You're gonna disappear?

You guys have your battles...
...and when enough of that energy builds up, we'll come back out.
It's not like we'll vanish.
We'll have lots of battles, then!
Oh!



Fh.
I'm glad I'm your shadow.
Since I was able to have a nice battle with everyone.

Yeah!

See you later.

See you later!

We'll be looking forward to having another fun battle with you guys.

■いつか、きっと戦える…。
その日まで、さらば影よ。
